

Memo of the Month – June 2026

Army Goodwill School Aishmuqam

The month of June 2026 was marked by a series of enriching academic and co-curricular activities at AGS Aishmuqam.

The school observed World Environment Day with great enthusiasm. A debate competition, cleanliness drive, and morning awareness talks were organized to sensitize students towards environmental conservation and sustainable living.

Under the Nasha Mukh Bharat Abhiyan (NMBA), various awareness activities were conducted to educate students about the harmful effects of substance abuse and to promote a healthy lifestyle.

Our students brought laurels to the school by securing the Second Runner-Up Position in the Intra AGS/AGPS Quiz Competition. Further adding to the school's achievements, AGS Aishmuqam secured the First Position in the Intra AGS/AGPS Letter Writing Competition held at AGS Highground.

In addition, Poster Writing, Slogan Writing, and Painting Competitions were conducted from the last week of May and continued throughout June under the banner of the Nasha Mukh Bharat Abhiyan, providing students with a platform to express their creativity and social awareness.

The school appreciates the active participation of students and the dedicated efforts of staff members in making these activities successful. We look forward to many more achievements and meaningful learning experiences in the months ahead.

Datesheet for Formative Assessment has been issued
